

Dear Parents/Carers,

Welcome back, I hope you all had a good half term break. This is our last half term this school year and it is going to be extremely busy. We hope to see you around for our exciting events such as Downsell's Got Talent, our Summer Spectacular as well as Year 6 Graduation. Children will enjoy more school trips and sport events. Please watch out for letters for more information.

Mr Chetty

Year 1 Phonics Screening Check

Our Year 1 children will be taking their Phonics Screening Check next week. To prepare them for this, a revision pack was sent home before the half term holiday.

Please could you ensure that your child uses this revision pack and practises their words at home. Please also use the other packs that were previously given out on our workshops.

Thank you.

Year 1 Art Exhibition

Thank you to all of our parents who attended the art exhibition. Our children were so proud and happy to show you their work. They were great at selling their art pieces and thank you for purchasing their masterpieces! We raised £61.40 which will be used for our end of year trip. Thank you!

Miss Rahman

Year 1 Poetry Presentation

Last half term in English, our Year 1 children were extremely busy learning about poetry. Our core was 'What the Ladybird heard' and children wrote their own rhyming couplets. They remembered to use alliteration and onomatopoeia!

Check out the photos on the school website.

Year 6 trip to Moat Mount Open Space Centre

What a fantastic time we all had. This is what the children had to say about the trip:

I liked exploring the forest and the fields and I liked spending time without my family. My favourite activity was building the shelters in the woods. Fatima

It was fun working as a team and I enjoyed it. Sachin

We all enjoyed making shelters from the wood sticks we found in the forest. It was raining a lot but it added to the adventure. Dalontae

I really enjoyed toasting (and burning) marshmallows on the campfire. Gracie

It was fun. I definitely liked the barbecue and staying away from my electronics and spending time with my friends. Josh

I liked the fact that I spent time with my friends, also the experience of being by myself to have a taste what it is going to be like in ten years time (without my family). Ethan
