There is no obligation to make a voluntary contribution and parents should realise that their child will not be treated differently according to whether or not they have made a voluntary contribution. It should however be realised that if insufficient voluntary contributions are received then the school will be forced to cancel the particular trip and refund the money. All visits are non profit making.

The staff and governing body at Downsell Primary feel that visits supporting the work children do in the classroom is extremely valuable.

### **The School will ask for voluntary contributions from parents:**
