# Open Day **FRIDAY 19 OCT, 12-6PM**

Pop in and find out more about our Creative Journeys programmes. Take a peek at the arts and crafts from **Make & Create**, see the bounty from the **Edible Forest Garden** and grab a drink and a slice of cake, supplied by **Zest Kitchen**. All created by our talented young people. Watch inspirational short films showing the types of Creative Journeys you might like to take. At The Limes, we believe everything is possible... we're here to help you to achieve it!

To find out more about how we can individually tailor your Creative Journeys programme, please get in touch and make an appointment.
