

**Dear Parents/Carers,**

The week started with our Year 6 children working with Diverse Voices (theatre group) who were helping children to overcome problems they may experience now or in the future. The children and adults found the role play extremely informative. If your child is in Year 6 why not ask them about it!

Thank you to parents/carers for positive feedback regarding collection of children. To further improve safeguarding, children will not be in front of the building during playtime and lunchtime from Monday onwards. This is to ensure visitors coming to our school and children playing do not meet.

Hope you have a good weekend.

Mr Chetty

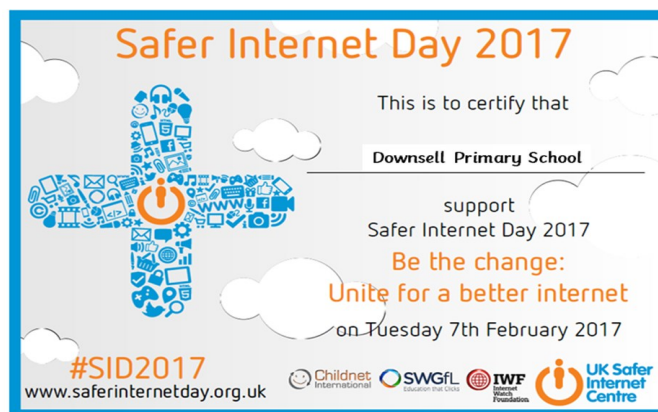

## **Safer Internet Day**

February 7th 2017 is **Safer Internet Day**, a day that is very important to our school and pupils. Safer Internet Day is coordinated by the Insafe network and is celebrated every year across Europe, and in other countries worldwide.

Our school is participating alongside hundreds of other schools across the UK and students will be learning about how to use the internet safely and positively.

We believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development.

Please check out our school website for more information.

**From Monday children from Year 1 to Year 6 can bring healthy snacks to school such as fruit or snack bars to have during playtimes.**

## **Weekly Attendance**

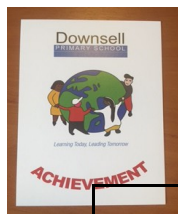

Every week classes with the best attendance receive an Attendance Award. We also inform you which classes improved the most. Last week winners are:

Upper KS2 – the winner is South Africa – 98 %  
Lower KS2 – the winner is Pakistan – 99%  
KS1– the winner is New Zealand – 97%  
Early Years - the winner is Italy – 96%

The most improved classes are South Africa, France and Kosovo.

**Congratulation to all.**

### Attendance

As a school we have a duty of care to ensure that all our pupils access education, that they are safe, achieving and that their well-being is being supported. In order to achieve this it is essential that all pupils attend school regularly and punctually. We believe that by working closely with parents/ carers on this matter we can ensure that each child is able to reach their full potential.

However, a significant numbers of our pupils are falling below the expected level of 95% attendance. We will begin to invite parents/ carers into school next week to discuss their child's attendance and achievement within school with an Attendance Officer and the Headteacher. If you are invited please ensure that you attend the meeting or, if not convenient, contact the school office to make alternative arrangements.

Please ensure that your child is in school every day and that they arrive in class before the 8.55am register. Children arriving after that are marked as late and can even receive an unauthorised absence mark. If there are any circumstances that affect your child's attendance or punctuality and you may wish to discuss them with us please make an appointment at the school office.
