

Dear Parents/Carers,

Last Friday evening it was pleasing to see so many parents/carers present to watch our Year 3 children perform their version of A Midsummer Night's Dream. The children performed spectacularly well and need to be commended for their confidence when performing.

Please take some time to look at our school website for regular updates regarding planned activities and how you can be more involved with your child's learning.

I hope you have a restful weekend and look forward to seeing you at school.

Mr Chetty

KS2 SATS

Year 6 children will be taking their national curriculum tests (SATS) over the next week. We will be providing free breakfast for them every morning from 8:10 and would like to ask the parents/carers to ensure that the children arrive to school on time and well rested.

Good luck everyone!

WINNER! - 4th Plinth Schools Award 2017

Last Thursday 27th May, a very excited Atiya (class Malaysia) took a trip to City Hall in London with her extremely proud parents and Ann our Art Co-ordinator. She was there to receive her award as the borough winner for Waltham Forest in the 4th Plinth Schools Competition.

Children across London were tasked with producing their own ideas for the 4th Plinth in Trafalgar Square. Atiya's simple design was produced with a strong message. Atiya felt that, in life, it's often the big things that are the main focus e.g Big Ben but small things are just as important - SMALL BEN! She has shown that despite what others may think and with determination and faith in your own personality you can achieve your potential.

She received a prize of art materials and a certificate from Justine Simons, the Deputy Mayor for Culture and Creative Industries and the artist David Shrigley.

All winning artwork is on display in City Hall until 30- June -2017.

Uniform orders

Please remember, when you order uniforms online in our Pay+ Shop, it normally takes 48 hours before you can collect your order from the school office.

We have some uncollected items in the school, if you have ordered anything can you please come to collect it. Thank you.

School dinners

Can you please pay any outstanding amounts on your child/ children dinner account. If you would like to use a computer in the school, you are welcome to do so.

Book Fair

Thank you everyone who visited our book fair this week. It was good to see how interested children were in books and how many children made a purchase. We are pleased to see that our children like reading and you, parents/carers, support them. Thank you.

Attendance

We are pleased to see that many children have improved their attendance. We know that there is still room for improvement and we can work together to achieve this.

The Educational Welfare Officer is working closely with the school to further improve attendance.

To help us in this matter please try and book appointments outside school hours. If this is not possible and you have to take your child to the hospital or GP e.t.c. please bring them to school first and collect them later so they miss as little learning time as possible.

Please also remember to call the school in the morning if your child is unwell.

Thank you.

Homework - Gentle reminder

Homework is sent out every Thursday and should be returned on Tuesday. If we receive your child's homework on Wednesday, they will be marked as returning homework 'late'. Any late homework will not be marked as staff have allocated time to mark homework, however we will still give out the next piece of homework. If there are exceptional reasons please talk with your child's teacher.

Thank you.

And these are our Bravo, Achievement and Golden Award Winners for last and this week. Congratulation to all!
