by Ayana , Alexi and Elena

At Downsell we had a frightful night to celebrate Halloween. Everyone was wearing fangtastic costumes. There were witches, ghosts, cats, vampires and zombies and more! As usual, it was on the night-time of Friday 4th November. If you were at the disco, you probably know that there was music, dancing and refreshments like sweets, drinks and crisps. Also there were games like Pass the Bloody Balloon! This disco was from years 1 - 6. You only had to pay £1. Thank you for all the donations. Hope you had lots of fun and had a Happy Halloween. Did you go? What did you dress as? Did you have fun?

On 18th November, there was Children in Need. Children wore spotty clothing. Children brought in their donations for charity. There was a competition to guess how many dots were on a cake. In the afternoon we had our usual celebration assembly with Bravo, Achievement and Golden Awards. We hope you had a great Children in Need Day.

## CHRISTMAS STORY by Demiah and Alexi

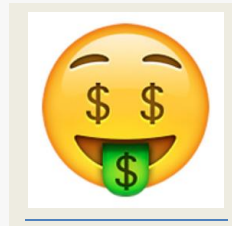

The Christmas story started on Saturday 24<sup>th</sup> December. It was Christmas Eve in Downsell Road. All the children were behaving but one child didn't believe in Christmas. She was called Haniya. She had three friends called Alexi, Demiah and Priscilla. All of them liked Christmas.

"Come on! Enjoy the Christmas Party!" they pleaded.  
 "No!" said Haniya.  
 "OK!" said her friends.  
 When she got home, she went to bed at 8:30.  
 Then Christmas was here. Everyone was opening presents and other stuff.  
 Haniya asked, "Where is mine?"  
 Her mum said, "Here it is!" and that's how everyone started to like Christmas.

Do you like Christmas?  
 Do you celebrate Christmas!

## Class 13 UAE Mr Hussain by Victoria

This article is about Mr Hussain who is the class teacher in Class 13. This article is about Mr Hussain who is the teacher in Class 13. He speaks English. He is married. His wife is called Mrs Hussain. He is the BEST TEACHER because he is really kind. In class we learn quite a lot. In Science we did an experiment with string cups. We tested Can you hear using these types of telephone? It did work. We worked in groups in twos. We took turns speaking and listening. It was better than a real telephone. You could hear so fantastically. Sometimes we have Golden Time. In Golden Time we have free time. We can go on white boards. We can do whatever we want. It's so fun! Mr Hussain is from the UAE. I think that's why he called his class UAE. Abu Dabi is the capital city of UAE. Another part of UAE is Dubai. In early 2000 Dubai became famous because it had the tallest building. It also has the Seven Star Hotel.

## HOW TO TACKLE BULLYING by Ayana

Bullying is no good  
 Bullying is no fun  
 You may feel you're done  
 But there will be help  
 As long as you don't yelp  
 You'll get a better time  
 Somewhere in your life  
 Don't let them mess with your mind.  
 Tell an adult so you don't have to deal with the bully any longer.

## NOM NUMS

Nom Nums are a great Christmas present. They are better than Shopkins. There is something really cool about them. They smell so delicious. There is even a Nom Nums lip gloss truck where you make your own lip gloss. It's the perfect gift – Trust me!
